PERSONAL AND CONFIDENTIAL

SUBJECT: COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS

9851457
DECLASSIFIED BY huckg0000000000
ON 1/15/07

Effective immediately, the Bureau is instituting a coordinated Counterintelligence Program (Cointelpro) directed against Klan-type and hate organizations. Offices receiving copies of this letter are instructed to immediately open an active control file, captioned as above, and to assign responsibility for this program to an experienced and imaginative Special Agent who is well versed in investigation of hate and racist-type organizations and their membership.

The purpose of this program is to expose, disrupt and otherwise neutralize the activities of the various Klans and hate organizations, their leadership and adherents. The activities of these groups must be followed on a continuous basis so we may take advantage of all opportunities for counterintelligence and also inspire action in instances where circumstances warrant. The devious maneuvers and duplicity of these groups must be exposed to public scrutiny through the cooperation of reliable news media sources, both locally and at the Seat of Government. We must frustrate any effort of the groups to consolidate their forces or to recruit new or youthful adherents. In every instance, consideration should be given to disrupting the organized activity of these groups and no opportunity should be missed to capitalize upon organizational and personal conflicts of their leadership.

8. Viking Youth of America (Origin: Tampa)
9. White Youth Corps (Origin: Chicago)

✓ On or before 10/15/64, participating offices
are instructed to submit to the Bureau a detailed analysis
of potential counterintelligence action against pertinent
organizations and individuals active within their respective
territories and specific recommendations should be included
for any logical immediate counterintelligence action.

Recommendations submitted under this program must include
all necessary facts to enable the Bureau to intelligently
pass upon the feasibility of the proposed action. In
instances where a reliable and cooperative news media
representative or other source outside the Bureau is to
be contacted or utilized in connection with a proposed
counterintelligence operation, it will be incumbent upon
the recommending office to furnish assurances the source
will not reveal the Bureau's interest or betray our
confidence.

Offices participating in this program who have
investigative responsibility for Klan organizations should
specifically comment in the initial letter to the Bureau
regarding "Action Groups." As these offices are aware,
these groups have been described as the relatively few
individuals in each organization who use strong-arm tactics
and violent actions to achieve their ends. Often these
groups act without the approval of the Klan organization

or membership. The Bureau considers it vital that we expose the identities and activities of such groups and where possible disrupt their efforts. These groups should be subjected to continuing counterintelligence action.

No counterintelligence action may be initiated by the field without specific Bureau authorization.

Commencing 1/1/65 and every 3 months thereafter, each participating office should submit to the Bureau a status letter covering the prior 3-month period, including comments under the following captions:

1. Potential Counterintelligence Action
2. Pending Counterintelligence Action
3. Tangible Results

If necessary, a 4th caption "Miscellaneous" may be utilized for additional comments.

Recommendations for counterintelligence action should not be included in 90-day status letters to the Bureau but following the initial analysis due 10/15/64, should be submitted individually by separate letter.

All Special Agent personnel responsible for the investigation of Klan-type and hate organizations and their membership should be alerted to our counterintelligence plans relating to these groups. Counterintelligence action directed at these groups is intended to complement and stimulate our accelerated intelligence investigations. Each investigative Agent has a responsibility to call to the attention of the counterintelligence coordinator suggestions and possibilities for implementing the program. You are cautioned that the nature of this new endeavor is such that under no circumstances should the existence of the program be made known outside the Bureau and appropriate within-office security should be afforded this sensitive operation.

Letter to Atlanta
RE: COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS
157-9-Main

The Bureau is pleased with past successes achieved by our counterintelligence efforts in other phases of our investigative responsibilities. To insure our success in this new endeavor, the Agent to whom the program is assigned in each office must have a detailed knowledge of the activities of the racist groups in the territory and that knowledge must be coupled with interest, initiative and imagination. The Agent must be alert for information which has a disruptive potential. The information will not come to him - - he must look for it. The most effective way of being assured of keeping on top of the situation is to maintain close contact with those Agents who handle the investigation of the racial and hate groups and their membership and also to periodically review relevant files.

If an enthusiastic approach is made to this new endeavor, there is no reason why the results achieved under this program will not equal or surpass our achievements in similar type programs directed against subversives.

COUNTERINTELLIGENCE PROGRAM,
INTERNAL SECURITY,
DISRUPTION OF HATE GROUPS,
(ROBERT MARVIN SHELTON)

1/15/64 - Accurate Report

The Birmingham News for April 30, 1960 carried an article entitled "Shelton Ousted from Klan Post". This article quoted on E. L. EDWARDS, a Klansman from Atlanta, Ga., as stating to reporters that SHELTON was released as Grand Dragon and agent of the Klan in Alabama (for conduct unbecoming a Klansman, and attempting to use the organization for selfish purposes.) The Bureau has requested to be advised of full details concerning this matter.

b7C

A search of the files of The Birmingham News reflects an article entitled "Shelton Ousted from Klan Post" in the Saturday, April 30, 1960 edition. This article was datelined Montgomery, Ala., and mentioned that SHELTON, once close to the administration of Governor JOHN PATTERSON of Alabama, had been ousted from his ranking Klan post in Alabama.

Records of the Alabama Office of the Secretary of State reflect that SHELTON had been replaced by [redacted] of Talladega. A check with E. L. EDWARDS, Imperial Wizard of the United Klans of America, Knights of the Ku Klux Klan, at Atlanta, brought this statement, according to The Birmingham News: "We had to have a Grand Dragon in Alabama, and we did not have one in ROBERT M. SHELTON." EDWARDS told reporters that SHELTON was replaced as Grand Dragon in Alabama, and agent of the Klan "for conduct unbecoming a Klansman, and attempting to use the

organization for selfish purposes". EDWARDS said no other changes in offices are planned at present. He did not elaborate on what he considers conduct unbecoming a Klansman.

The Atlanta Office is requested to check its files, particularly informants files for the period around April 30, 1960, and secure any information which would show any weakness or misconduct of SHELTON which caused him to be released. It is known, of course, that E. L. EDWARDS is deceased.

The Bureau has requested that prompt attention be afforded to Counterintelligence Program.

Investigation is being conducted concerning ROBERT MARVIN SHELTON. The Atlanta Office has been requested to ascertain why E. L. EDWARDS, now deceased, ousted SHELTON from his then position of Grand Dragon of the U. S. Klans. A copy of the article appearing in the "Birmingham News" for April 30, 1960, entitled "SHELTON ousted from Klan Post," has been obtained. The article did not disclose the exact nature of the charges against SHELTON. Records of the Alabama Secretary of State reflect that SHELTON was dropped as the Klan's authorized agent and was replaced by Rev. ALVIN HORN of Talladega, Alabama. E. L. EDWARDS, Imperial Wizard, U. S. Klans, Knights of the Ku Klux Klan, was quoted as saying "We had to have a grand dragon in Alabama and we didn't have one in ROBERT M. SHELTON." He told reporters that SHELTON was replaced as grand dragon and agent of the "Klan" in Alabama "for conduct unbecoming a Klansman and attempting to use the organization for selfish purposes." The article said EDWARDS did not elaborate on what is considered conduct unbecoming a Klansman.

b7C

Informants are being contacted for any information of a derogatory nature concerning SHELTON. Discreet inquiries are being made in Tuscaloosa concerning his financial status. In view of recent information from the Bureau no request is being made for a mail cover on Shelton or the United Klans.

The information on [redacted] and [redacted] will be afforded prompt attention.

BH 157-835

As the Bureau is aware, some few months ago several individuals, who had been active officials and/or dedicated members of the National States Rights Party (NSRP), left the NSRP. They are trying to form and make a going party of the American States Rights Party (ASRP) with its headquarters in Birmingham.

Since the group pulled out of the NSRP, both the ASRP and NSRP leaders have been belittling, berating and making extremely derogatory remarks concerning each other. Both groups are using the same mailing list, (the NSRP's list), which the ASRP group obtained before pulling out of the NSRP, and they disseminate their derogatory remarks in the literature they distribute.

The Bureau has also been advised that GEORGE LINCOLN ROCKWELL, American Nazi Party (ANP) leader has recently filed a \$550,000.00 libel suit in the U. S. District Court, Birmingham, Alabama, against [redacted] of the NSRP, and others connected with the NSRP.

Birmingham contemplates furnishing certain items, on a confidential basis to a few trusted, reliable newsmen (established SAC contacts), concerning the NSRP, the ASRP and the ANP for the purpose of possibly causing further disruption of any unified actions or working arrangements between these groups. Such newsmen may be used to contact the leaders of one group to inquire about or confirm something of a derogatory nature reportedly made by some leader of one of the other groups.

Birmingham also contemplates working closely with other law enforcement agencies to see that any activity of such groups are known, covered and where considered desirable, the group will be made cognizant that their activity is known.

BH 157-835

Birmingham also is considering having some racial informants drop remarks to or for the benefit of the leaders of the NSRP, etc., that will tend to cause the leaders of one group to retaliate in like manner against the other groups.

If the Bureau has any material on disruptive tactics or results of efforts, which is not already in all field offices, Birmingham would be glad to receive it.

SAC, CHARLOTTE (157-281)

COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS

ReBulet 9/2/64 to Atlanta and other offices.

It is noted this letter lists as one of the target organizations, as No. 7 on page 2, the Independent Klavern, Fountain Inn, S. C. Since this organization is no longer active or in existence, it is suggested it be deleted from this list.

Since the major organization in Charlotte Division is the United Klans of America, Inc., of which Birmingham is origin, a copy of this letter is being designated to Birmingham for information.

The following represents the consensus of Charlotte Agents familiar with Klan activity:

1. Disruptive activity should not be undertaken at a particular Klavern, as a general rule, unless there is sufficient well established informant coverage to be able to tell the effect of the action when instituted. Such action would probably serve to "tighten up" the organization and make it more difficult to get an informant in thereafter.

2. It is considered doubtful that newspaper publicity, of only a generally unfavorable nature against the Klan organization, is effective in reducing new applicants or causing any large number of present members to drop out. The "Charlotte Observer," which has wide distribution throughout North and South Carolina, published in August and September, 1964, a series of articles, copies of which were sent the Bureau by Charlotte letter of 9/15/64. These articles ridiculed the United Klans

of America, Inc., in North Carolina, and published both photos and names of a number of members. So far as has been learned from informants, this had very little adverse effect upon the organization. It was alleged that two to five members were discharged from their jobs, or warned about continuing membership, but the identities of these alleged persons is not known. North Carolina Grand Dragon JAMES R. JONES has stated, both publicly and privately to informants, that this publicity was very valuable to the growth of the organization. One informant reported that the day after the articles published his name as a local leader, three persons contacted him and applied for membership, stating they had not previously known whom to contact.

It is considered that publicity of this type generally deters from joining only those persons who would not be interested in joining in the first place. It is believed that a large proportion of those persons who are potential members are seeking status and recognition, and publicity is no deterrent to them; it makes them feel important and members of an important group.

The major apparent effect of the series of newspaper articles referred to has been a tightening up of security, and refusal of leaders to allow newspaper photos of individual Klansmen to be taken at public rallies.

3. Disruptive activity, wherever possible, should be of a nature which does not expose the fact that the Bureau, or the "Federal Government", is behind the activity. It is believed that open action, to a large extent, can backfire and create resentment and sympathy. It must be remembered that Klan membership, in many sections, does not by any means carry the odium that alleged Communist membership or sympathy does in almost any section of society.

4. Along this same line, there is probably no point in trying disruptive activity, at least not at this stage, on a local Klan group which is small, inactive, and peaceful. Any such activity which is not completely discreet and concealed would likely have the effect of stirring it up.

5. By letter of 9/26/64, Charlotte furnished the Bureau a sample of a lapel pin which was adopted at the Imperial

CE 157-281

Klonvocation of United Klans of America at Birmingham on 9/5-6/64. This is to be sold to members for \$2 each and there is apparently considerable demand for it. Since it is not apparent to the uninitiated that it has anything to do with "the Klan," it is expected that members will wear it openly as a secret recognition signal. If it does become widely adopted and worn, consideration should then be given to giving widespread publicity to the fact of what it represents. This should have the result of discouraging some persons who do not want their Klan membership publicly known.

6. It is considered that possibly the most effective way of discouraging membership, or causing existing members to withdraw, is to establish that someone in the organization is getting rich off it, or embezzling the proceeds. Charlotte is endeavoring to develop information along these lines, but nothing specific has yet been developed.

7. The following are suggested tactics that appear useful on a selected basis against individual Klansmen, particularly those whose employers might object to their Klan membership:

a. Anonymous letter or phone call to the employer telling of the Klan membership.

b. Enter on behalf of the member a subscription to the "Fiery Cross," United Klans of America publication, and have it mailed to his employment.

ReBullets 9-2-64 and 9-18-64; Memo SA [REDACTED] 9-28-64.

The Birmingham file on ROBERT M. SHELTON (BH 105-560) has been reviewed. A letter has been directed to St. Louis to secure details of his Air Force record. A copy of the Birmingham News on 4-30-60 has been obtained. It should be noted that the article in this issue pertaining to the ouster of ROBERT M. SHELTON as Grand Dragon of Alabama for the U. S. Klans only states that E. L. EDWARDS, now deceased, removed SHELTON and replaced him with [REDACTED] because SHELTON was guilty of conduct unbecoming a Klansman. A reporter asked Mr. EDWARDS to explain this, but he did not elaborate on what he considered conduct unbecoming a Klansman. EDWARDS said, "We had to have a Grand Dragon in Alabama and we didn't have one in ROBERT M. SHELTON." EDWARDS also stated SHELTON attempted to use the organization for selfish purposes, but he did not explain this statement either. The Atlanta Office has been asked to review its files about the time of April, 1960, and attempt to clarify this matter.

In view of recent information from the Bureau, no consideration is being given to placing mail covers on mail to SHELTON or the United Klans. A memo has been disseminated to all Agents to contact informants for information as to any "personal or organizational weakness" of SHELTON.

In order to secure further information concerning SHELTON, the following leads are being set out for Birmingham:

concerning an account for ROBERT M. SHELTON or the United Klans of America, Inc., or the Tuscaloosa or Alabama Rescue Service. Investigation should be conducted along this line to determine the current balance in any account in which SHELTON has authority to deposit or withdraw funds.

Discreet inquiry should be made to determine something about SHELTON's personal activities, whether or not he drinks and so forth. It is noted that there is no indication that SHELTON uses intoxicating beverages to excess if at all.

It is believed that even if all the above is done, there will not be much basis upon which to institute any disruptive measures against SHELTON unless it can be ascertained through confidential sources that he is stealing money from the UKA, Inc., and misappropriating it or that it can be shown that his character is not good and that he is not in any sense a moral man. Therefore, it will have to be kept in mind that this type of information will have to be obtained if at all possible if such exists in order that the above captioned program will have any measure of success.

Rebulet 9/18/64, which refers to Bulet dated 9/2/64.

The Bureau has instructed that our files be reviewed and that any necessary discreet inquiries be made to determine the background of Shelton, with emphasis upon any personal or organizational weaknesses he may possess that may be capitalized upon to discredit and disrupt organized klan activities, with recommendations for specific counterintelligence action.

Since all available information on Shelton is now contained in the files at Birmingham it is requested that this file be reviewed at Birmingham and that recommendations be submitted from the Birmingham Office.

As concerns paragraph two(2) of this relet information available to Agents of the Tuscaloosa RA is that Shelton is employed full time by the United Klans of America, Inc. KKKK at Tuscaloosa, Ala. as Imperial Wizard. During the recent National Klonvocation at Birmingham information was submitted by the Charlotte Division as to dues being increased with additional fees being given to Shelton. No information has been received as to any other source of income being received by Shelton. There was recently a newspaper report submitted to the Birmingham Divison which should be in his file alleging Shelton to be receiving funds in connection with some type work for the Stat@ of Alabama. Information as to Shelton's Air Force Service Record (Serial # etc) is contained in his file and a lead can be set forth for this record to be checked for counterintelligence value as instructed by the Bureau in paragraph two of this letter.

As concerns paragraph three(3) of this letter referring to "Birmingham News" edition of 4/30/60 E.L. Edwards is deceased and it appears that information as to the referred to story should be available at the Birmingham News or through Atlanta sources.

In contacts with Shelton he has mentioned that he receives copies of Communist publications. It is not specifically known that he is on the mailing list of the

It has been observed that in the publication of "The Fiery Cross" that frequent mention is made of communist figures and their activities. It is believed that consideration should be given to placing a mail cover on mail going to the Office of the United Klans of America, Inc. KKKK, Alston Building, Tuscaloosa, Ala. and in this connection approval of the Bureau will have to be obtained.

Action Recommended:

It is recommended that a review of Shelton's file be made and leads be set forth to develop any information concerning Shelton not already in the file including a check of bank accounts at Tuscaloosa, Ala. in his name or that of the Tuscaloosa Rescue Service and any other account on which he has authority to deposit or withdraw funds;

It is further recommended that informants of the Birmingham Division in the Klan be contacted for information as to any "personal or organizational weaknesses" of Shelton.

It is further recommended that any action in the nature of harassing tactics to be taken be discussed and considered by the Agent and Supervisor handling Klan matters at Birmingham and that specific leads be set forth to this end.

It is pointed out that the Bureau instructs that this matter be given prompt attention.

It is recommended that a letter be immediately prepared for a check of Shelton's Air Force Service Record if same is not already in the file and if such a letter or report is in the file that this be reviewed and that any information lacking therein be obtained from the responsible office.

It is recommended that a letter be directed to the Atlanta Division for details concerning Edwards statement to reporters as Shelton's "conduct unbecoming a Klansman".

Bureau letter dated 9/18/64 is returned herewith. Instructions as to action to be taken by Agents of the Tuscaloosa, Ala. RA will be acted upon immediately upon receipt.

Re Birmingham letter dated 10/6/64 requesting information from Atlanta file concerning the release of ROBERT M. SHELTON as Grand Dragon for Alabama of U. S. Klans in 1960.

Most of the information concerning SHELTON's removal as Grand Dragon for Alabama and the events surrounding his removal were previously furnished to Birmingham by Atlanta airtels dated 11/25/59 and 12/9/59 which airtels were directed to the Bureau with copies to Birmingham, and Atlanta letter dated 2/2/60 to the Bureau with copies to Birmingham. The two airtels and the letter were all captioned, "U. S. Klans, Knights of the Ku Klux Klan, Inc."

The following information was located in Atlanta files in addition to the information set out in the two Atlanta airtels and one Atlanta letter mentioned above:

[redacted] It appeared that SHELTON did not know the reason for his removal. The true reason for SHELTON's removal as reported by [redacted] was SHELTON's failure to send in quarterly reports to the Imperial Office in Atlanta and also the fact that Klan attendance in Alabama had fallen off almost 50%. Another factor in SHELTON's removal was that he had allegedly given EDWARDS the run-around about a report on Klan conditions in Alabama. [redacted] reported on [redacted] that on [redacted] E. L. DISRUPTION OF HATE GROUPS
(ROBERT SHELTON)

ReBHlet 10/29/64.

The Bureau does not believe the entering of a subscription to "The Worker" in the name of Robert Shelton, to be mailed to him at the offices of the United Klans of America, in itself would tend to compromise or embarrass Shelton. It is believed this action if combined with other counterintelligence techniques could implicate Shelton as being in sympathy with the communists. Before authorizing a subscription in the name of Shelton, the Bureau desires you develop a plan whereby Shelton may be progressively associated with or identified as in sympathy with the communists.

Continue to afford attention to possible counterintelligence action calculated to discredit or neutralize Shelton.

COUNTERINTELLIGENCE PROGRAM
INTERNAL SECURITY
DISRUPTION OF HATE GROUPS
(CARTOONS AND CARICATURES)

The Miami Office by letter dated 11/18/64 forwarded to the Bureau an idea to be used to discredit the National States Rights Party, one of the hate groups considered under this Program. The Bureau does not believe that the idea furnished by the Miami Office contains sufficient impact for use under this Program, but the suggestion that cartoons be utilized to embarrass the Ku Klux Klan and hate groups has considerable merit.

Ridicule can be a devastating weapon and should not be overlooked in regard to the Counterintelligence Program which is aimed at disrupting and discrediting Klan-type and hate organizations. Many prominent Klan leaders and leaders of hate organizations possess idiosyncrasies or become involved in situations which present excellent opportunities to utilize ridicule as a weapon to discredit them both within their own organizations and in the eyes of the general public. The publication of cartoons and caricatures by cooperative news media or the anonymous circulation of them among rank-and-file members of Klan and hate groups will serve to both disrupt the various organizations and to discredit their leadership. Field offices participating in the Counterintelligence Program are urged to carefully assess and consider such a situation involving leaders of the Klan and hate organizations with the idea of portraying them in cartoon form.

RE: COUNTERINTELLIGENCE PROGRAM

This may be accomplished by submitting the idea to a cartoonist on the staff of a newspaper where we have established a reliable and discreet relationship or by preparing such cartoons utilizing the talents of SAs with artistic ability. In the event there are no artists in a respective office, a rough draft of a suggested cartoon should be submitted to the Bureau where an effort will be made to produce a suitable cartoon. Where a caricature of a specific individual is involved, this, too, may be prepared at the Bureau providing the suggesting field office will submit appropriate photographs of the individual to be portrayed.

In instances where counterintelligence cartoons are prepared by the field or rough draft for such a cartoon is submitted to the Bureau for preparation, counterintelligence recommendations should also be forwarded.

No counterintelligence action should be initiated without specific Bureau authority.

Following is status letter covering previous
three-months' period:

1. Potential Counterintelligence Action

This office has been trying to lay the ground-
work for this program. Several things have been done which
will be set forth hereinafter. Potential counterintelligence
action is the disruption of the Klan and hate groups in this
territory which has been started. One specific potential is
the anonymous mailing of documents, leaflets, etc., to these
groups which is being studied at this time for ideas.

2. Pending Counterintelligence Action

Files are being reviewed for information to in-
corporate into an article which would tend to disrupt the
UNITED KLANS OF AMERICA, INC., KKKK, and which would be of
such nature that a newspaper would be willing to publish it.

Investigation is being conducted in order to
secure information concerning ROBERT M. SHELTON which could
be used in a disruptive fashion.

Bureau approval is being sought to send out
anonymously copies of a cartoon which indicates that the FBI
has infiltrated the various Klan groups.

The original cartoon has been obtained, has been autographed by [redacted] the Cartoonist, and will be forwarded to the Director in the next few days.

It is suggested that the original of this cartoon be photographed when it is received at the Bureau and consideration be given for the FBI Laboratory to print possibly 1000 copies or more of this cartoon on throwaway leaflet size paper and these copies furnished all offices involved in instant counterintelligence program. Consideration should be given to deleting the name of the cartoonist and the BIRMINGHAM NEWS from the bottom of the cartoon before the prints are made, if this proposal is adopted. It is believed these copies can be anonymously mailed or given to members of Klan groups as a disruptive tactic.

- a. The Association of South Carolina Klans, Knights of the Ku Klux Klan (SV origin), is presently in a rather dormant and relatively inactive stage in CE territory. No opportunities for action have been noted, and none is contemplated at present.
- b. United Klans of America, Inc., Knights of Ku Klux Klan (South Carolina), BH origin, is a relatively small organization in CE Division. This group is presently undergoing internal dissension, particularly in the Klavern at Gaffney, S. C., centering around dissatisfaction with [redacted]. The apparent [redacted] has voluntarily contacted Agents, telling of this dispute, and has turned over what he says are the [redacted] of the Klavern. It is the intention of CE for the present to let this situation develop by itself, following it through informants, unless and until some situation lending itself to intervention is learned.

- c. United Klans of America, Inc., Knights of the Ku Klux Klan (North Carolina), BH origin, is the largest and most active group. At present its activity appears to be slowing down, and attendance at Klavern meetings in most localities seems to be falling off.

(1) At Christmas time, [] the members of UKA in North Carolina presented [] with a []. The license number has been obtained, and title records are being checked to obtain Vehicle Identification Number of this car and its title history. Thereafter it is planned to inquire into how this car was paid for. If the car is actually titled directly in the name of [] it is contemplated, after time for filing [] income tax has passed, to get Bureau authority to pass information re the gift of the car to Internal Revenue.

It is also contemplated to get from the factory complete assembly data on this car, with a view to possible future action, since it is believed [] will keep records in this car.

(2) At the present time, [] of the [] Klavern is promoting a group [] for members of UKA in North Carolina. Recent information is that this is with International Life and Accident Insurance Company, through the Carolina Insurance Agency which [] represents. Recommendations for action in this regard will be submitted to the Bureau by separate communication.

2. Pending Counterintelligence Action

No programs are actually presently underway, with exception of the following:

(1) In accordance with CE suggestion, the Bureau on [] furnished to Veterans Administration information concerning [] of []

UKA for [] and called to their attention the amount of benefits he is receiving under [] disability rating. The outcome of this will be followed with [] but results, if any, have not yet been learned.

(2) In accordance with Bureau authority of 11-25-64, CE has furnished information on an anonymous basis to the [] newspaper which could be used as a basis for defense in a threatened suit against the paper by Klansman [] of []. As of 12-20-64, the newspaper has not received notice of actual filing of suit. A [] has advised that an anonymous letter giving names of persons at [] who could verify Klan membership of [] has been received. He states that if actual suit is filed by [] representatives of the paper will contact the named persons to develop information for use in defending the suit. He does not contemplate these persons will be contacted unless suit is actually filed. He has furnished some background information of an unfavorable nature concerning [] which has been independently developed by the newspaper, and this has been included in CE file.

3. Tangible Results

No tangible results which can be ascribed to this program have yet been observed.

As commented above, possible action by [] Administration against [] will be followed.

An apparent intangible result is that thus far there is no indication the [] newspaper has been intimidated by the threatened suit by [] and it is expected this paper will continue to attack Klan organizations where feasible.

ReBulet authorized the sending of an anonymous letter to Negro groups or active anti-segregation groups (including Negro churches in Birmingham) in an effort to expose the fact that [redacted] is a member of the National Executive Committee of the National States Rights Party (NSRP). [redacted] was the [redacted] of [redacted] in Birmingham.

Copies of the above-mentioned anonymous letter were prepared. On 1/27/65, copies were sent to 15 Negro churches and/or anti-segregation groups in Birmingham. Five letters were mailed at each of three corner U. S. Mail Boxes in different sections of Birmingham.

Information has been received in early February, 1965, and the information verified, to the effect that [redacted] has been transferred from the [redacted] to the [redacted] both offices reportedly have the same ownership.

In view of the above, Bureau authority is requested for Birmingham to prepare a follow-up anonymous communication to the same Negro groups (15) to whom the original letter was sent. A suggested letter is as follows:

For some time reports have been received from [redacted] informants that a health insurance plan for members of the United Klans of America, Inc., Knights of the Ku Klux Klan, in North Carolina is to be offered. This is being promoted by [redacted] generally known as [redacted] at [redacted] and member of the [redacted] Klavern of UKA.

[redacted] is connected with [redacted]

On [redacted] advised that in [redacted] was actively promoting sale of this [redacted] and contacting various Klaverns for this purpose. [redacted] was reported to have said that fifty percent of the premium would be "kicked back" to the "home unit" (presumably meaning the State Headquarters of UKA), and that at the end of the year two percent would go back to the unit (presumably meaning the local Klavern). The issuing company is International Life and Accident Insurance Company with its home office at Wilmington, North Carolina.

[redacted] and [redacted] have furnished copies of a letter, undated, but apparently set out in January 1965 over the name of North Carolina [redacted] addressed, "TO ALL KLANSMAN," urging them to subscribe to this Group Hospitalization policy and showing that payments should be sent to [redacted]

The letter includes the statement, "I would also like to mention the licensed Agent in charge of the enrollment has voluntarily agreed to a very generous contribution to each unit participating. This money will go into your Treasury and will further the growth and strength we are all fighting for."

On [redacted] made available his insurance program under this policy which has been issued to him, effective date shown as [redacted] Xerox copies have been made and the original returned to him. There are enclosed for the Bureau and for Birmingham one each Xerox copy of the complete policy, including amendments, and a note from [redacted] and the envelope in which transmitted.

The name and identifying information re [redacted] have been either cut out or blocked out on these copies. The full number of this policy as shown on the original is [redacted] On [redacted] stated the full number on the policy issued to his source is [redacted] It thus appears that [redacted] is the general number for the overall policy, and the last four digits represent the individual policyholder. Accordingly, the last four digits have been removed from the copies of this policy, except for one complete copy which is being initialed by [redacted] and retained in his file. b2 b7D

It is further noted that on the sheet which lists the applicant and [redacted] there appears a handwritten notation [redacted] The significance of this is not known to Charlotte, and it possibly could be some individual identifying number. Accordingly, if the copy of the policy is to be shown to any outside agency, the number should likewise be removed. b7C

On 11/3/64, SA [redacted] made some general inquiries of [redacted] North Carolina State Insurance Department, Raleigh, concerning group insurance policies. [redacted] said that to be eligible for a group policy, the individuals must be closely associated, generally with the same employer or in some other established association. No specific or detailed inquiries were made of [redacted] It will be noted that on the personal description sheet the "Unit Name" is shown as "Capital City Restoration Association." Presumably this is the group under which the policy is issued. [redacted] has advised that "Capital City Restoration Association" is the cover name for Raleigh Unit 41 or UKA. [redacted] is not a member of Raleigh Unit [redacted] but of another Klavern of UKA.

As a counterintelligence measure, Bureau authority is requested for an Agent to contact [redacted] or other representative of the North Carolina Insurance Department, concerning this group policy. The object would be to have the State Insurance Department

conduct its own investigation to determine whether this is a legitimate group policy, meeting the State Law requirements. Authority is also requested to advise the State representative orally of the allegations re "kickback" of premiums of the UKA. A request would likewise be made of the State Insurance Representative to obtain a complete listing of persons insured under this particular policy, it being noted that according to our present information, all policyholders will be members of UKA in North Carolina.

It is considered very likely that this group policy will be found improper under the State requirements, which might result in its having to be revoked. Even if this does not result, it is considered very likely that the mere fact of inquiries being made by a State representative will have a disruptive effect on UKA in general, and on the selling of this insurance in particular.

If Bureau authority is given Charlotte contemplates suggesting to the State Insurance Representative that his agency contact a representative number of the policyholders outside of Raleigh to have them show what connection they have with the "Capital City Restoration Association," the name under which the group policy appears to have been issued. It is expected that most of those outside of Raleigh will not be able to show such connection.

Of course, Charlotte at this time could go directly to the International Life and Accident Insurance Company at Wilmington, North Carolina, and ask for a list of individuals insured under this policy. However, it is believed it would be much better to have the State Insurance Department institute inquiries as outlined above. That agency has wide powers of control and examination over insurance companies, and contact by that agency would have much greater impact than a mere inquiry by the FBI.

Following the action by the State Insurance Department, if complete information regarding policyholders is not received through that agency, Charlotte could always go to the insurance company for this information. It will be noted that the sheet which is apparently submitted by each applicant contains considerable background information.

CE 157-281

Copies of this letter and a copy of the insurance policy are being furnished Birmingham for information since it is origin in UKA.

No agent has authority to change this Policy or to waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES: (a) After two years from the date of issue of this Policy no misstatements made by the applicant in the application for such Policy shall be used to void the Policy or to deny a claim for loss incurred after the expiration of such two year period. If such forms are not furnished within fifteen days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this Policy as to proof of loss upon submitting, within the time fixed in the Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

ReBulet 10-29-64.

Referenced letter pointed out the need to capitalize upon the bickering between leaders of the National States Rights Party (NSRP) and the American States Rights Party (ASRP), which split from the NSRP during 1964.

Recently, the ASRP published the March, 1965, issue of its monthly newspaper, "The White American." This issue was dated March, 1965, and on page 4 carried an article captioned "With Deep Regret." This article also carried a sub-caption, "The Secret Wife of Dr. Fields."

Enclosed herewith are two copies of the article above-mentioned, including the two captions as set out. These have been mounted on a sheet of paper.

Bureau authority is herewith requested for the Birmingham Office to be allowed to Xerox copies of the enclosed heading and article, as mounted, and to send anonymous mailings of these Xerox copies to various persons, organizations and individuals in an effort to disrupt or cause further disagreement in the ASRP and NSRP. If the Bureau should authorize such an anonymous mailing, the copies will be placed on commercial paper which cannot be identified with the FBI or the United States Government in any manner.

With Deep Regret

The Secret Wife Of Dr. Fields

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 11/5/04 BY AUC609 BUC/KO/78

It is with deep regret that we are forced to print the facts contained in this article. We have searched our minds and hearts to know if what we do is right. We cannot live with our guilt if we did not let the wonderful people who have supported the NSRP and Dr. Fields know the true story behind the April 28, split in the ranks of the NSRP. To date five top national party leaders have resigned from the NSRP as well as eight state leaders which comprise the only active units in the NSRP. Today the NSRP is steadily crumbling under the weight of the truth. The reason for this is the draining of party funds by Dr. Fields for his personal interests. These funds are sent in by the average White American, the dollars represent sacrifice and dedication from the persons who send them. Yet they are not all used for party activities. Recently Dr. Fields sent out a family portrait of himself, his beautiful and devoted wife Dolores, and their two sons, Allan and Keith. The purpose of the photograph was to build the family-man image of himself with the people of the NSRP. The picture he failed to send out was a picture of himself, his other wife, Mildred and their daughter Marty. DR. FIELDS HAS TWO FAMILIES. Mildred Fields is the mysterious woman who disappeared from Louisville, Kentucky when Dr. Fields and the NSRP was based in Louisville. She disappeared when rumor circulated that she was pregnant with Fields' child. Little is known of Mildred Fields except that she is a slender, dark-haired, mild mannered, rather attractive woman. While she

and Fields romped together in Louisville, Dolores Fields gave birth to Dr. Fields' first child, Allan. Later Fields fled the gossip of Louisville to the haven of Birmingham. As Ruth in the Bible, Mildred followed Dr. Fields to Birmingham where she obtained a job as a registered nurse in the West End Baptist Hospital in Birmingham. This is the same profession she maintained in Louisville, Ky. She rented a duplex apartment at 1334 Princeton Ave.; about a mile from Dr. Fields and Dolores' home on Mims St.

By this time Mildred had already had a child whom she called Marty. By Mildred Fields' own admission the child is that of Dr. Edward R. Fields. Dr. Fields, we know helped pay support of Marty. Later Dr. Fields' first family was expecting an addition. Dolores was pregnant again. While Dolores Fields was in the hospital bearing Dr. Fields his second son, Dr. Fields was out on the town with Milly, as he preferred to call her. For Christmas of 1963 Dr. Fields bought Mildred Fields a Television Set with a party check with party funds. The purchase was made at National Discount Sales Co. of Birmingham. The record of the purchase is filed with the Clerk of the U.S. House of Representatives in Washington, D.C. Dr. Fields paid \$25.00 for a doll for Marty. The T.V. was later taken to NSRP H.Q. on Bessemer Rd. when the FBI threatened to investigate the NSRP books. In exchange for the new Television, Dr. Fields gave Mildred a used

T.V. which belonged to James K. Warner, then associated editor of the Thunderbolt. Dr. Fields paid Mr. Warner \$40 for the used set he gave Mildred in exchange for the new one. In March of 1964, Mildred Fields left West End Baptist Hospital and Birmingham for Mobile, Alabama where she is employed as a registered nurse at the Mobile Infirmary. She left Birmingham in the white, 1959 Ford which once belonged to Dr. Edward R. Fields and is reproduced on this page. Also reproduced on this page is the telephone listing for Mildred Fields taken from the Birmingham Telephone Directory, page 139. Dolores Fields is a good, clean, midwestern woman and we mean her no harm by this expose of Dr. Fields. Dolores knows and disapproves of Mildred Fields, known to her as Mildred Hinson, but we are sure that she does not even suspect that Mildred followed her happy family from Louisville or that Mildred claims that Dr. Fields is also married to her. We deeply regret the hardships which the publication of this article will bring to the innocent victims of this sordid affair. But with a burdened heart and a concern for the good of the cause we deemed it our duty to print the truth.

Referenced airtel submitted a cartoon under similar circumstances. Referenced Bulet advised that the Bureau was considering preparing an original cartoon depicting the same theme for anonymous mailing by all pertinent offices to Klan members in areas presenting the most potential for disruption.

It is requested that the enclosed cartoon be given the same consideration as the cartoon mentioned in referenced communications and that appropriate wording be placed in the cartoon.

Referenced communications forwarded copies of

Attached for each office are (five individually

ReBulet, 4/15/65.

Referenced letter enclosed five numbered Xerox copies of rough sketched cartoons.

Birmingham has reviewed the above-mentioned cartoons as directed. It is felt that one of the main purposes for the use of such cartoons would be to disrupt and/or harass the various Klan or hate groups. It is now felt that in view of the recent charges of President JOHNSON made on National television and also the many charges leveled against the Klan and other hate groups by local press, they are now or have been harassed almost to the breaking point. It is felt that any further steps, such as the mailing out of the above-mentioned cartoons, at the present time might force them into desperate acts of violence.

b7C

In view of the above, it is not felt by Birmingham that an anonymous mailing of any of these cartoons would be in the best interest of the Bureau at this time and that such a mailing would probably even have a very adverse effect upon the success of the Informant Development Program of the Birmingham Office.

Birmingham feels that there will probably be an appropriate time for an anonymous mailing of such cartoons and for that reason Birmingham would like for the Bureau to prepare and furnish the Birmingham Office with twenty-five copies of

A P P E N D I XNATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee. The November 10, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "Official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, of "The Thunderbolt," announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] [redacted] the [redacted] of the NSRP, is the individual who "runs the NSRP."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

DISRUPTION OF HATE GROUPS

Charlotte is considering the tactic of possibly having copies of "The Fiery Cross", publication of United Klans of America, Inc., sent to various Klansmen at their places of employment or other places that might serve to embarrass or expose them.

Birmingham is requested to advise whether this publication actually sends single copies on applications or regular subscription and if so to whom should the request be addressed. Also, what is the price of a subscription for a limited period. Charlotte also desires to know if there is any particular way that a letter requesting copy should be sent or any particular language which should be used or avoided in requesting copies to prevent persons in charge of the publication from suspecting that the order was not legitimate. Birmingham is also requested to advise whether subscription copies are mailed in an open wrapper like the average copy or mailed in a closed wrapper or envelope to make the receipt of the publication ineffective for the purpose desired by Charlotte.

What Charlotte has in mind would be the sending of occasional individual letters to the publication in the name of a particular Klansman requesting a subscription to the publication, and enclosing the necessary money. It is desired to learn whether this tactic might be feasible through the above information requested from Birmingham.

Birmingham is requested to furnish its views in this matter, and also, whether it believes this tactic, when used on a limited basis, might be useful to other offices.

COUNTERINTELLIGENCE PROGRAM

DISRUPTION OF HATE GROUPS
("The Fiery Cross")

Re Charlotte letter to Bureau dated 5/27/65 and Bureau letter to Charlotte dated 5/9/65.

The Birmingham Office has noted the information set forth in referenced communications and is attempting at this time to obtain the necessary and desired information in this matter. For information, "The Fiery Cross" appears to be published and distributed on a very irregular and intermittent basis. Some of the copies of this Klan paper are not numbered as to volume, month, and specific data concerning by whom and where published.

At the present time, Birmingham is conducting necessary investigation to determine by whom, where and when this paper is published. Birmingham has a partial list of subscribers to "The Fiery Cross"; however, this list of subscribers was for a period in 1963 and effort is being made at this time to get a more current list of subscribers.

At present it does not appear that the sending of individual copies of "The Fiery Cross" to various members of the Klan at their place of employment can be satisfactorily handled due to the above information concerning the irregular manner in which the paper is published. After Birmingham has obtained the information requested in referenced Charlotte letter, Birmingham will make same known and make further recommendation in regard to using such mailings as a disruptive tactic. At present, it appears that the technique of mailing

change of address cards concerning the Klan paper and/or the sending of postcards to Klansmen at their places of employment, either cancelling Klan meetings or notifying them of an alleged Klan meeting, would be more effective under the circumstances.

The Birmingham Office is following instant matter and will advise the Bureau and Charlotte of the results of its investigation in this matter.

COUNTERINTELLIGENCE PROGRAM

DISRUPTION OF HATE GROUPS
("THE FIERY CROSS")

This type of technique has been successfully effected in our Counterintelligence Program directed against the communists. Post card announcements of meetings and obvious propaganda material have been directed to communists at their places of employment much to the concern of the subversives who have registered bitter protests with the organization for jeopardizing their employment. The Bureau will be pleased to consider any recommendations for counterintelligence action of this nature.

b7C

In this regard, it is noted the post office issues printed cards without cost whereby publications or correspondents may be notified of a change of address. It may be feasible to use these cards to furnish changed addresses of subscribers to a publication for disruptive purposes. 10/21/85

Letter to SAC, Charlotte
Re: COUNTERINTELLIGENCE PROGRAM
157-9-8

Birmingham is requested to advise if it has access to all or a portion of the subscription list of "The Fiery Cross" and, if not, if such may be obtained through confidential sources or the cooperation of local post office authorities.

The Bureau notes that a recent edition of "The Fiery Cross," which is self-described as the official publication of the United Klans of America, 401 Alston Building, Tuscaloosa, Alabama, indicates below its title it is "serving over 250,000 readers." This edition of the publication is undated and contains no identifying masthead as is customary with publications having such a large circulation. In the past, the masthead of the publication identified it as a weekly newspaper available for subscription at \$10 a year or if sent by first class mail in a sealed envelope, at \$12 a year. In the past, it was indicated in the masthead of "The Fiery Cross" that the newspaper was published by the Christian News Service, Suite 414, Alston Building, Tuscaloosa, Alabama.

It is the Bureau's understanding that postal laws require publications placed in the mail to periodically publish a statement of ownership and estimated circulation. In the event mailings of "The Fiery Cross" are made at Tuscaloosa, Birmingham should make inquiries of postal authorities to determine if there is a violation of postal regulations.

The comments and/or recommendations of Charlotte and Birmingham are solicited. No counterintelligence action should be initiated without specific Bureau authority.

The information being set forth in this letter is submitted in order to supplement the data set out in referenced communication.

On [redacted] who has furnished reliable information in the past, advised that single copies of "The Fiery Cross" could be ordered. The orders for copies or subscriptions should be addressed to United Klans of America, Inc., 401 Alston Building, Tuscaloosa, Alabama. The price for a one-year subscription to "The Fiery Cross" is \$3.00. [redacted] stated he did not know of any instance in which a subscription for a three-month or six-month period had been requested or obtained and did not know the specific price for a single issue of the Klan paper.

[redacted] stated he did not know of any particular language which should be used in requesting copies of the Klan paper so long as the terminology was that of "a patriot" who was interested in the cause of segregation. [redacted] also stated that on occasion copies of the Klan paper had been stapled at the time they were mailed and on other occasions the papers had been sent as third-class mail in a wrapper. [redacted] stated it was his understanding that the Klan had its own printing press in Tuscaloosa or in the Tuscaloosa, Alabama, area and that when the paper is published and mailed, it is mailed from Tuscaloosa and/or Holt, Alabama, which is adjacent to Tuscaloosa.

INTERNAL SECURITY
DISRUPTION OF HATE GROUPS

Re Birmingham letter to Bureau, 4-6-65.

The following is a status letter covering
the previous three months' period:

1. Potential Counterintelligence Action

This office is presently considering the distribution of Bureau-approved cartoons satirizing the Klan and hate groups. The anonymous mailing of copies of the newspaper of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA), to certain selected persons, is being considered. The sending of "change of address" cards regarding Klan and/or other hate type subscriptions is also being considered. The anonymous mailing of various documents, leaflets, as well as the making of anonymous telephone calls, etc., to these groups is being studied at this time.

2. Pending Counterintelligence Action

By letter dated May 25, 1965, a Xerox copy of a cartoon satirizing the Klan and hate-type groups was furnished the Bureau for its consideration in regard to the preparing of an original cartoon satirizing

the Klan and also other hate-type organizations.

By letter dated 4-15-65, the Bureau made available to the Birmingham Office five cartoons for consideration under this program. Birmingham selected two of these cartoons and requested 25 copies of each cartoon. Under date of 5-11-65, the Bureau furnished the Birmingham Office with 25 copies of each of the two cartoons which are now being held for possible future anonymous mailing at an appropriate time.

Birmingham is still attempting to obtain information regarding sources of income, actions of misconduct, immorality, etc., of ROBERT M. SHELTON, Imperial Wizard, UKA, and similar data regarding other officials of hate-type organizations, as well as the sources of income of these hate-type organizations.

In accordance with instruction set out in Bureau letter of 5-13-65, Birmingham mailed out Xerox copies of an article entitled "With Deep Regret" which concerns [redacted] National States Rights Party (NSRP) and which appeared in the March, 1965 edition of "The White American", the American States Rights Party" (ASRP) publications. Copies of this article were mailed to 18 individuals whom it was believed would be most directly affected by or concerned with the information contained in the article. b7C

In accordance with the instructions set out in Bureau letter of 6-24-65, Birmingham mailed a Xerox copy of a cartoon lampooning [redacted] above described, and [redacted] of [redacted] UKA. These copies of the cartoon were mailed to 19 individuals believed to be most interested in this situation and most likely to be in a position to take action which would disrupt any cooperation between NSRP and the UKA.

By letter dated 6-30-65, the Birmingham Office requested Bureau authority to send out Xerox copies of

BH 157-835

an undated and unsigned three-paragraph letter. This letter stated that [redacted] was [redacted] and it also pointed out that the leaders of the UKA reportedly stated that all Catholics owe their allegiance to the "Pope", and for that reason a Catholic would not be taken into the UKA. Bureau authority was requested to send this anonymous letter to various UKA leaders as a disruptive tactic, in order to prevent any cooperation or joint activity between the UKA and the NSRP leaders.

b7C

3. Tangible Results

Referenced letter set forth information concerning apparent results of anonymous letters sent out regarding [redacted] NSRP.

This is to advise that [redacted] reportedly remains at the NSRP [redacted] in [redacted] during the regular daylight hours from [redacted] and apparently has no outside [redacted] It is believed that the disruptive tactics taken concerning [redacted] as above mentioned, resulted in his being transferred from one job to another and then being "fired" as previously pointed out to the Bureau. It is also believed that his [redacted] at the [redacted] probably is due to the fact that he was [redacted] [redacted] and/or the [redacted] had been unable to recruit or obtain office help necessary to carry on their regular office functions at [redacted] in [redacted]

Both these items utilize public source material to expose the communists. The first was researched by the Philadelphia Office with its layout and design produced by the Bureau's Exhibit Section. To avoid associating the Bureau with the DuBois Clubs of America leaflet, discreet arrangements were made for the [redacted] to sponsor its dissemination. The second leaflet was prepared by a private organization without the cooperation of the Bureau, to expose the communist musician, [redacted]

These items have been used as counterintelligence techniques to expose the communists and they are forwarded to suggest possible techniques to publicly expose Klan and hate-type organizations, and their members. The Bureau will be pleased to assist any office participating in this Program in the preparation of such material. Offices desiring to have such material prepared should submit their recommendation to the Bureau together with pertinent public source material and with suggestions for design and layout.

are the Target!

You, the student, the young American, interested in civil rights, free speech, political action; you are the target of the Communist Party. The Communist Party doesn't want to "bury" you, as Khrushchev said, they want to recruit you.

Why?

Because you are a potential leader of America.

How?

By using an effective Communist tactic -- the front organization.

When?

Today, according to Gus Hall, leader of the Communist Party, USA.

A new Communist youth organization was formed at a convention in June, 1964, in San Francisco. Led by young Communists the W. E. B. Du Bois Clubs of America came into being.

But where did the people at this convention get the idea to form a new group? How did all of them just happen to meet in San Francisco?

According to J. Edgar Hoover, Director of the Federal Bureau of Investigation, top Communist Party leaders decided to start the group as early as October, 1963, in order to recruit young people into the Communist Party and to spread the Communist Party line.

W.E.B. DU BOIS CLUBS OF AMERICA

What are the Facts?

1. The W. E. B. Du Bois Clubs of America are named after a Negro educator who publicly joined the Communist Party in the United States at the age of 93.
2. The Worker, the Communist Party newspaper, reported favorably on the founding convention, in San Francisco, of the Du Bois Clubs. According to The Worker, "A national socialist youth organization was born." Today the Communists use the word socialist to describe their program of world domination.
3. One Carl Bloice was elected a national officer in the Du Bois Clubs. The Worker pointed out that he is a staff reporter for The People's World, which is the west coast equivalent of The Worker, a newspaper published by the Communist Party.
4. The Communist youth magazine, New Horizons, folded when the Du Bois Clubs were founded and was taken over, conveniently, by the Du Bois Clubs.
5. Phil Davis, President of the Du Bois Clubs, has attended Communist Party classes in California, and when asked by a reporter if he was a communist, he took the "Fifth."
6. Archie Brown attended the founding convention. He is an admitted Communist and has run for public office in California as a Communist.

7. Other identified Communists, such as William M. Mandel and Douglas Wachter, attended the Du Bois Clubs founding convention. Five sons and daughters of Communist officials also were active at the founding convention: Bettina Aptheker; Margaret Lima; Oleta and Billy Proctor; and Eugene Dennis, Jr.
8. Greetings came to the convention from such pro-Communist groups as the South Vietnam Liberation Youth Union and the World Federation of Democratic Youth.
9. Articles in the New York Journal American and the Philadelphia Inquirer point out the Communist backing of the Du Bois Clubs. In one interview Jarvis Tyner, East Coast Coordinator of the Du Bois Clubs, admitted that some of the members consider themselves Communists.
10. Falsely accusing someone of being a Communist is libel, but there has been no reaction from the Du Bois Clubs in this way. They have denounced the charges as "red-baiting" but have not denied the essential truth, the fact that the W. E. B. Du Bois Clubs of America are nothing more than a new front of the Communist Party, a new propaganda tool of the atheistic, totalitarian system dedicated to "burying" you, the free American.

The only hope of the DuBois Clubs is that American youth are uninformed about the background of the clubs. For this reason, this pamphlet is being published by the Catholic War Veterans, Department of Pennsylvania, as an extension of the Pennsylvania Program. You are the target, don't be the victim.

A Soviet Balalaika Is Added To Pete Seeger's Repertoire

PETE SEEGER
Historic concert

By ESTHER SHIELDS

MOSCOW — Pete Seeger, back in Moscow after a triumphal swing through other Soviet cities, was telling me about his enthusiastic audiences, when a birthday present arrived from his new Soviet friends. It was a balalaika, sent by the Philharmonic society.

Even without the balalaika,

Pete had no difficulty in winning his audiences in Leningrad, Kiev, Yalta, Tbilisi and Moscow. At least two concerts in every city. "I couldn't imagine a friendlier audience," he exclaimed. "At the economics institute last night, the crowd showed great eagerness in singing along with me. They sang well, too. And I had fun singing with youngsters at one of Moscow's special English school sessions." Soviet folklorists brought a group of men and women in their sixties to sing old-time songs for him, songs for weddings and holiday

dancing, pensive and humorous love songs.

Pete added film footage of these singers to his world-tour collection.

"I filmed one of the Piatnitsky Chorus musicians, too," Pete said.

"I was very glad to hear this chorus sing. I have admired them for a long time."

Pete also met with young Soviet composers, who performed their own songs and other compositions.

The Seegers also visited a

Ukrainian collective farm, where Pete sang with local farm workers.

They visited the Kremlin Palace Museum, pioneer palaces and a Moscow factory.

"I was lucky, too, in being invited to Soviet people's homes where we could talk informally," Pete added.

Now the Seegers are on the homeward course. For more than eight months they have been on the go from country to country. England, Scotland and Ireland are the last stops. They return to the U.S. in June.

All-star cast of singers oppose Prop. 14

LOS ANGELES — Three of the most famous names in the folk singing field, Pete Seeger, Joan Baez and Theodore Bikel, will make their first joint appearance on a West Coast stage on the evening of Sept. 23 at the Hollywood Bowl when they are scheduled to headline a diversified evening of folk music as has ever been heard.

From all parts of the country, top folk singers are coming to the concert, which is expected to play before the largest audience ever to attend such a festival, as part of Southern California's effort to defeat the segregation initiative on the November ballot, Prop. 14. The program is sponsored by Young Californians Against Prop. 14.

Others who will perform at the Hollywood Bowl that night include The Dillards, Bessie Griffin and the Gray Gingers, Joe and Eddie, the Modern Folk Quartet and Nady West. Tickets may be obtained from the Hollywood Bowl office, Mutual Ticket Agencies, and offices of the Automobile Club of Southern California. Prices range from \$2 to \$7.50.

Pete Captures Moscow with a Banjo and Guitar

By ESTHER SHIELDS

MOSCOW — Napoleon never conquered Moscow, but I'm sure none of Pete Seeger's friends will be surprised that he took the city in a single evening, with only his banjo, guitar and a little wooden whistle.

Pete's beguiling voice and bewitching enthusiasm, won the large crowd, crammed into the big Tchaikovsky Hall, April 10. Well, he did have an advance assist from a Moscow TV interview the previous night. But the best proof that he captured his live audience is that they stayed on 30 minutes after he finished clamoring for more. "I never saw anything like it," Pete exclaimed when I spoke to him after the concert.

He sang a generous program of 26 songs from different countries, songs of workers, songs of struggle, songs of peace, bourgeois blues and a song for Cuba's patriot, Jose Marti. Mostly American songs, of course. "We Shall Overcome" won the

most applause of all, when Pete added at the end: "Friends, this song is not just for Alabama and Mississippi. It's for you and me, for them!" And he swept his arms in a long swing away from the audience.

His Moscow fans knew what to ask for as encores. "When the Saints Go Marching" and Joe Hill were the two he chose to sing for them.

As usual, Pete got nearly everybody to join in singing some of the songs — particularly a South African song and Leadbelly's "Good Night Irene."

I predict that by the end of his tour here, the whole Soviet Union will be singing in Moosennans.

After three concerts in Moscow, Pete will give at least 11 more in Leningrad, Kiev, the Crimea and Tbilisi.

Undoubtedly, Moscow will demand still more on his return May 1.

Pete Seeger, his wife, Toshi, their two children and manager Hal Lovinthal reached the Soviet Union after an eight months tour of many countries, including Australia, Japan, Czechoslovakia and Poland.

From here, Pete goes on to Scotland and Ireland. He will complete his encirclement of the globe by his return to New York in June.

Hundreds of eager young people stood outside Tchaikovsky Hall long before Pete's concert, pleading to buy anyone's extra ticket. Two enterprising youths were pencilled signs to attract attention.

Inside, the audience of over 2,000 included all ages, but youth predominated, and really everyone there was young with Pete!

Celebrities vs. Prop. 14

SAN FRANCISCO — A committee to defeat Prop. 14 has been formed in Hollywood under the chairmanship of film star Burt Lancaster and Gordon Bullberg, vice president of Columbia pictures.

As reported by The New York Times (Aug. 17), the committee numbers well over 100 and includes Gregory Peck, Frank Sinatra, James Garner, Charlton Heston, Ari Linder, Steve Allen, Peter Falk, Gene Kelly, Van Heflin, Robert Goulet, George Hamilton and Milton Berle.

The organization's chief purpose, said Lancaster, will be to raise some \$750,000 for newspaper ads, TV and radio spots urging defeat of the proposition.

PETE SEEGER signs autographs for Moscow fans.

EIGHTY-SEVENTH CONGRESS
SECOND SESSION

OCTOBER 19, 1962

U.S. GOVERNMENT PRINTING OFFICE
WASHINGTON : 1961

The hearings were protested by Youth Against the House Un-American Activities Committee, with headquarters in Room 201, 421 Seventh Avenue, New York, which issued bulletins and news releases attacking the hearings, chartered buses to carry youth protest delegations to Washington, held meetings and generally conducted a campaign of vilification against the committee.

One rally of the group held on January 31, 1960, featured Clark Foreman, executive director of a cited Communist front, the Emergency Civil Liberties Committee, as master of ceremonies. At that rally he lavishly praised Harvey O'Connor, an identified Communist. Pete Seeger, another identified Communist, provided entertainment. Mrs. Dorothy Marshall, who has a long record of service to Communist organizations over the years, was also featured on the program.

The committee also found significant the fact that the organization occupies the same rooms and uses the same staff as the Emergency Civil Liberties Committee, the principal aim of which is to abolish this committee and discredit the FBI.

After carefully evaluating the testimony and other evidence in its possession, the committee concluded that the Harlem Youth Congress and the Youth Against the House Un-American Activities Committee are organizations created and controlled by the Communist Party for the purpose of carrying on the Communist program among youth. Several times in the course of the hearings when uncooperative witnesses expressed defiance of the committee, the protest delegation of the Youth Against the House Un-American Activities Committee, which packed the hearing room, broke into cheers and applause. The committee chairman had to threaten to clear the hearing room to maintain order.

The hearings provided a good example of how the international Communist apparatus functions in support of its own. At the time of the hearings the committee received 11 protest letters from youth organizations in as many foreign countries. Each of these letters expressed "sorrow," "concern," "astonishment," "distress," etc., that the committee had subpoenaed young Americans who had attended the Vienna Youth Festival in the interests of world peace.

The Communist inspiration behind these letters was apparent from the reference, in all the letters, to only five witnesses. Actually, ten witnesses who had attended the Vienna or other youth festivals were subpoenaed to testify in the hearings. The international Communist apparatus apparently had not heard about the four anti-Communist witnesses and did not learn about the sixth Communist witness (who was subpoenaed at a later date) until after the protest letters had been written.

COMMUNIST ESPIONAGE IN THE UNITED STATES

Testimony of Frantisek Tisler¹

Grim new evidence of the Communists' determination to strip America of its military and political secrets was offered to the committee during the past year by the testimony of Lt. Col. Frantisek Tisler.

¹ See "Communist Espionage in the United States: Testimony of Frantisek Tisler, Former Military and Air Attache, Czechoslovak Embassy in Washington, D.C., May 19, 1960, Hearing before Committee on Un-American Activities."

1480 COLD WAR AGAINST INVESTIGATION OF SUBVERSION

The chairman further described the book as "an absurd attempt to link the Committee to anti-Semitic, anti-Negro, anti-Catholic, and anti-immigrant prejudices."

SONGS

The February-March 1961 issue of *Sing Out*, an alleged folk song magazine, featured a propaganda song about the 1960 Communist-instigated riots against the committee. *Sing Out* is edited by Irwin Silber, who was identified as a member of the Communist Party in testimony given this committee in 1962. An associate editor of the magazine, Pete Seeger, has also been identified as a party member. The magazine frequently features favorite Communist Party songs and newly composed party-line lyrics.

Following, an example of *Sing Out*'s numerous anti-committee melodies, are the lyrics of the San Francisco riot song, written to the tune of "Billy Boy":

Did they wash you down the stair, Billy Boy, Billy Boy,
Did they wash you down the stair, Charming Billy?
Yes, they washed me down the stair,
And they rearranged my hair
With a club, in the city hall rotunda.
Were there pigeons in the square, Billy Boy, Billy Boy,
Were there pigeons in the square, Charming Billy?
There were pigeons in the square,
And stool pigeons on the air,
And they fouled up the city hall rotunda.
Did they set for you a chair, Billy Boy, Billy Boy,
Did they set for you a chair, Charming Billy?
No the D.A.R. was there,
And there wasn't room to spare,
So we stood in the city hall rotunda.
Was the house committee there, Billy Boy, Billy Boy,
Was the house committee there, Charming Billy?
The committee, it was there,
Throwing slander everywhere,
While we sang in the city hall rotunda.
Did the people think it fair, Billy Boy, Billy Boy,
Did the people think it fair, Charming Billy?
No they didn't think it fair,
And they notified the Mayor,
And he wept, and he wept,
And he wept, and he wept,
While they mopped up the city hall rotunda.

CARTOONS

The Liberty Promethean Book Club, New York City, has announced publication in the near future of a book entitled *A Quarter Century of Un-Americans*. The book will be composed of derogatory cartoons and similar "art" work created over the years by opponents of the committee.

After the 1960 election, when the Democrats won the White House, the Kennedy administration was faced with the task of dealing with the Cuban missile crisis. The administration's response was to launch a naval blockade of Cuba, which was seen as a major escalation of the Cold War. The crisis was eventually resolved through diplomatic negotiations, but it highlighted the potential for nuclear conflict between the United States and the Soviet Union.

The pictures you see above are of interest to all who swear allegiance to the Ku Klux Klan. Recently, the American Nazi Party held a rally in Northern California. Now the Klan has no beef because the American Nazi Party holds a rally, but what should concern the Klan is the fact that the man speaking at the microphone is [redacted] [redacted] of the California Knights of the Ku Klux Klan.

Recently, loyal members of the National Knights of the Ku Klux Klan who reside in the west have told us disturbing news. On September 7, [redacted] and some of his followers held a rally at [redacted], California, using the good name of the Ku Klux Klan.

The National Knights of the Ku Klux Klan stand for Christianity and decency, for this great country of ours, for the rights of all white men . . . but never, never should members of the National Knights be accused of needing the Nazi storm troopers to get our message across to the American people.

As you'll notice by the pictures, these Nazi storm troopers wearing the Swastika of the Nazi Party stand alongside our Klan representative at the rally in Northern

California. It has been reported that when the California Knights met in September at [redacted] was once again flanked by ROCKWELL's anti-Christ goons. Needless to say, fellow klansmen, these goons are the followers of GEORGE LINCOLN ROCKWELL, the psychopathic agnostic that laughs at the name of JESUS CHRIST. Oh yes, ROCKWELL is great when it comes to playing boyish tricks, but have you ever noticed that it is never ROCKWELL who performs these "daring stunts" (everybody laugh). Oh no, it is always some poor lame-brained nut who performs for the "Commander," and who sits in jail while the "Commander" quietly counts his money as he travels about the United States living in luxury.

Do you remember the famous American general, who, when asked to surrender by the Germans, remarked, "Nuts." Well, we members of the National Knights of the Ku Klux Klan, we who believe in CHRIST, and the Rights given us by Him, can only say, "Nuts," when asked if we could ever consider any dealings with "Commander" Rockhead and his equally Anti-Christ Nazi followers.

b7C

Imperial Wizard [redacted], with great wisdom, and speaking for all members, and to all members, warns all of us to have nothing to do with [redacted] and his gangster friends.

UNITED KLANS OF AMERICA, INC.

IMPERIAL OFFICE

IMPERIAL WIZARD
ROBERT M. SHELTON

IMPERIAL KLIGRAPP
MELVIN SEXTON

PRESS RELEASE - June 13, 1967

From Melvin Sexton, Imperial Kligrapp

P. O. BOX 2369
TUSCALOOSA,
ALABAMA 35401

The purpose of this release is to set at rest false implications and fraudulent statements made in an unsigned letter of June 5, 1967 purportedly from a "National Intelligence Committee" of the United Klans of America, Inc., copies of which have been and are being distributed by one George F. Dorsett. That unauthorized and clandestine publication indicates among other things that Imperial Wizard Robert M. Shelton is suspended and that I am to assume the duties of Imperial Wizard.

The general public should be informed that Mr. Dorsett has not been a member of the United Klans of America, Inc. since April 18, 1967, at which time he ceased to be a member under the rules, regulations and By Laws of the United Klans of America, Inc. He was forcibly expelled because he had violated our regulation in that he as a National Officer had recommended and engineered the membership of one James S. "Catfish" Cole in a North Carolina unit of the Klan knowing at the time that the said Cole was not eligible for membership in the Klan because of his former indictment and conviction for the incitement of the Cherokee Indian Tribe of North Carolina to riot, and his subsequent sentence in the North Carolina penitentiary for this felony, as well as other bad conduct in his background.

There is no "National Intelligence Committee" in the organization of the United Klans of America, Inc., and if there were such a committee the Imperial Wizard himself would be the chairman thereof under the rules and dogma of the organization. This is not the first time that such a publication as the letter of June 5, 1967 has been traced to Mr. Dorsett. As his other and former publications have proved, this particular communication, unsigned and almost untraceable, is completely false and fraudulent in its implications and statements.

Imperial Wizard Shelton's term of service has not terminated or been suspended and he will continue to serve as Imperial Wizard pursuant to his lawful election, and I will not, of course, assume any duties of the Imperial Wizard. Moreover, I am not even eligible to succeed to the office of the Imperial Wizard upon said office becoming vacant for any reason, such right of succession being vested in the Imperial Klaliff or Vice President of the United Klans of America, Inc. Likewise, the Grand Dragon of North Carolina, J.R. Jones, has not and will not relinquish his office and will continue to serve until his successor is duly elected and qualified.

In connection with the foregoing, it has been recommended by members of the Imperial Council that this entire matter, including false and fraudulent letters sent through the United States Mail by former members of the United Klans of America, Inc. be turned over to the Federal Bureau of Investigation and United States Postal Authorities for investigation and possible prosecution for violation of the criminal laws of the United States. It is my understanding that a mail fraud conviction could carry a sentence up to five years.

MEMORANDUM FOR F. B. I. and U.S. Postal Authorities
SUBJECT: Possible use of mails to defraud

(1) At some time prior to April 18, 1967 Honorable Robert M. Shelton, Imperial Wizard, United Klans of America, Inc., discovered that one [redacted] had been recommended for Klan membership and inducted through the efforts of the National Chaplain of the United Klans of America, Inc. [redacted] and one [redacted] [redacted] had prior to that time been indicted for instigating the [redacted] in the State of [redacted] to riot, and both [redacted] and [redacted] knew that he was ineligible for membership in the United Klans of America Inc. because of this and other conduct in his background.

(2) On April 18, 1967, by action of Honorable Robert M. Shelton, the said [redacted] and [redacted] ceased to be members of the United Klans of America, Inc. and the office of [redacted] held up to that time by the said [redacted] was vacated, (Exhibit 1), all pursuant to rules, regulations and By Laws of the United Klans of America, Inc.

(3) Subsequent to said date of April 18, 1967 and with full knowledge that they were no longer members of the United Klans of America, Inc., the said [redacted] and [redacted] conspired to defraud the Klan of its dues and did use the mails of the United States for the purpose of perpetrating this fraud by posing as authorized representatives of the United Klans of America, Inc. and requesting all units of that organization to send its dues to one [redacted] rather than to National Headquarters as provided under the rules, regulations and By Laws of the said United Klans of America, Inc. (Exhibit 2).

(4) On June 5, 1967 there was mailed an unsigned three page letter purporting to be authorized by United Klans of America, Inc. further perpetrating the fraud of the April 26th letter by stating that Mr. Shelton, the Imperial Wizard, had been deposed, thereby indicating further justification not to mail any more dues to National Headquarters. Said letter purported to come from the "National Intelligence Committee" of the United Klans of America, Inc. which such committee does not now and has never existed (Exhibit 3).

(5) Since the termination of the said [redacted] membership in the Klan, he has apparently attempted to operate in the name of the Klan, with the hope that unauthorized dues would be forwarded to him or his designee. Copies of such letters that have gone through the mail are enclosed as Exhibits 4 and 5.

RECOMMENDATION

It is recommended that a complete investigation of this matter be made to the end of the prosecution of any person or persons found to have violated federal laws

pertaining to fraudulent use of the mails. In this connection it is believed that it would be quite simple to trace the seal and rubber stamp used in the preparation of Exhibit 3.
